Date

Help Dr Kershaw's even more by completing this Gift Aid form.

If you are a UK taxpayer, you can make your donation go further by signing you are taxpayer. Because we are a registered charity, the Government give back to Dr Kershaw's 28p for every £1 donated by you, making your gift even more valuable. All you have to do is simply sign the form to give your consent.

GIFT AID

I am a UK taxpayer and want the Dr Kershaw's Hospice to treat all my donations from the date on this declaration, until I notify you otherwise, as Gift Aid donations and to claim back the tax on my gift. My tax bill this year will be more than the donation.

Please complete this form and send, along with your cheque made payable to *Dr Kershaw's Hospice*, to:
The Appeal Office, Dr Kershaw's Hospice, Turf Lane,
Royton, Oldham, OL2 6EU

Dr Kershaw's Hospice

Dr Kershaw's Hospice has been helping terminally ill patients and their families since 1989. The Hospice is starting work on Phase 4 of the Extending Care programme and needs to raise £250,000 towards the cost of the project.

For this, we are looking to raise the funds require through our *Spare a Little Time Appeal*. We are grateful for the support already given to Dr Kershaw's, which has enabled the Hospice to complete phases 1, 2 and 3, and ask for your continued support as we complete the much needed care programme. As well as the total cost of the Phase 4 development, we have a further £1,350,000 to raise each year to cover the cost of providing ongoing care and maintain our high level of services for people suffering from life-limiting illnesses.

The much-needed money needed to run the Hospice is raised through the efforts of many fundraisers, by donations from generous businesses, organisations and individuals and from legacies.

Please support Dr Kershaw's Hospice in the provision of care for terminally ill patients and their families.

well spent!*

DR KERSHAW'S HOSPICE

SPARE A LITTLE 'TIME' AND MAKE A BIG DIFFERENCE

'Spare a Little Time' is the new fundraising initiative to rebuild Dr Kershaw's Hospice's boiler house, purchase a new boiler and update the Hospice's integrated heating system.

By doing this, Dr Kershaw's will be more energy efficient, heating costs will be lower and our carbon footprint will be substantially reduced.

Helping Dr Kershaw's 'Go Green'

Earlier phases of our Extending Care programme have almost doubled the size of the Hospice. Consequently, the demands on our existing boiler are stretching it to its limits. It is still working, but not efficiently and running an inefficient boiler is having an adverse effect on our costs.

It makes sense to start our Phase 4 development now, rather than take the inherent risks of running the existing boiler over the next few years. By building the new boiler room and fitting a new, efficient heating system now, everyone at Dr Kershaw's will see immediate benefits. We will be heating the Hospice more efficiently, providing a better more manageable heating system for staff and patients, and cutting the annual fuel bill for heating the Hospice by 20%.

Everyone can buy 'Time'!

Anyone can buy 'Time' in making a donation to Dr Kershaw's Extending Care Appeal.

If you join together with a group of friends, or as a school, organisation or business, you could buy an hour, or even a whole day!

Every donation is welcome whatever the amount. When it comes to helping the Hospice, please remember that – every second counts!

When 'Time is Money' – how much care do patients get for your money?

- a donation of £14 will pay for 5 minutes of care
- a donation of £167 will pay for 1 hour of care
- a donation of £4,000 will cover a whole day

In return and to mark your generosity

Everyone making a donation will receive a personalised *certificate* as a special thank you and to acknowledge your gift to the Appeal.

Make a donation to cover a 'whole day' and we'll present you with a specially framed *certificate* to mark your very kind gesture.

To make your donation and receive your *certificate* please complete the *Spare a Little Time* form overleaf.
